

What are the Green and Yellow Pages?

The Skidmore Green and Yellow Pages is an online directory of businesses and service providers who are Skidmore alumni and parents. All over the country and overseas, Skidmore alumni and parents own businesses—from real estate brokers to dentists, architects, and wedding planners. Skidmore's online Green and Yellow Pages directory allows you to search by category of business and geographic location to find a professional from the greater Skidmore community.

About the Green and Yellow Pages:

The Green and Yellow Pages were created by Bill Ladd '83 and Vinny Catalano '83, members of the Skidmore Alumni Association Board of Directors, in an effort to foster business between and among members of the greater Skidmore Community, including alumni, parents, current students, and members of the campus community.
