

Filene to Zankel

It is with enormous pride that we present our final series performances in Filene Recital Hall. We welcome back some exceptional musicians who dazzled us here in the past, and we introduce others, widening our experiences. We know you'll enjoy the talent and imagination of these musicians, and hope you'll join us for performances that promise to be memorable.

We're moving in January, to that beautiful new Zankel Music Center directly across from Filene. When we present our Spring 2010 guest series, our audience capacity will more than double, to 600, in Zankel Music Center's Helen Filene Ladd '22 Concert Hall.

To learn more about the Zankel Music Center, go to cms.skidmore.edu/zankel. We'll be taking our memories along with us as we make this important change.

To learn more about the performers and the programs for this Fall, and for information about tickets and access, please go to our Web site, www.skidmore.edu/music-dept-events, or call our box office at 518-580-5321.

Mark your calendars!
