Spring and Summer, 2008

Thank you for your interest in Skidmore College's summer programs.

As an international student planning to participate in our summer program, you will be expected to have a student visa that will allow you to study in the United States. Applying for a visa can be a somewhat time-consuming process. We, therefore, recommend that you begin this process as you are applying to the program and possibly awaiting acceptance.

Following is a memo from the Dean of Studies Office. Please review this memo and follow the step-by-step instructions for completing the **Application for Certification of Eligibility** form. This is a two-part form comprised of a Biographical Data form and a Certificate of Finances form. Please complete both forms and return them to our office at the address or fax number indicated below immediately after submitting your program application. If accepted into the program, we will begin to process your I-20 Certificate of Eligibility for Non-Immigrant (F-1) Student Visa.

The Dean of Studies Office will then mail you a packet that includes an I-20 Certificate. Please read and follow the instructions provided. Again, this is a timely issue so please do not delay.

**Upon your arrival to campus, it will be your responsibility to provide our office with the following:**

- 1) A copy of your passport with the visa attached, and
- 2) A copy of your I-20 form with your signature.

We look forward to meeting you at the start of the program.

Sincerely,
